To Whom It May Concern:

Vital Learning Corporation announces its expanded commitment to the growing Community College market. VitalEDU, a division of Vital Learning Corporation, is the sole source for Vital Learning Products in Community Colleges in the United States.

VitalEDU is devoted exclusively to the Community College market and is responsible for all sales, marketing and service to Community Colleges. By concentrating our resources into VitalEDU, we provide Community Colleges leading edge products and extensive marketing/implementation support to help the Community College grow in their market.

We look forward to expanding our relationships with Community Colleges and answering any questions you may have. Please direct any questions to Dorman Conklin, President VitalEDU 800-344-4020 or Ellen Hoepfner, Vice President of Sales Vital Learning Corporation 800-243-5858 ext. 213.

Sincerely,

Michael J Van Buskirk, CEO
Vital Learning Corporation
